7.30pm Welcome Chinese Banquet with 2 hour drinks package

Monday

AM First tee off time at **Norman Course (Dongguan Club House)** 20 mins by shuttle bus. Must arrive at course 30 minutes prior to tee off.

The 7,214-yard Norman Course reflects the perfect combination of golf course style and nature. The front 9 holes meander through mountain ridges and the hillside, while the back 9 holes are set in a valley. The narrow fairways, surrounded by long grass and dense forest vegetation contribute to the course's difficulty index of over 150, which is one of the highest in Asia. Accurate golfing strategy is key to conquering this "Tournament Course".

Tuesday

AM First tee off time at **Nicklaus World Cup Course (Shenzhen Club House)**

Venue of the 41st World Cup of Golf in 1995, this masterpiece designed by legendary golf champion Jack Nicklaus is revered throughout the world as the most magnificent golfing challenge in Asia. This famous course is the first in China accredited by the US PGA Tour for major professional competitions. Many top players like Tiger Woods, Greg Norman have found this a great course to play.

Wednesday

Day at leisure. Enjoy an added option of a full day shopping tour to Shenzhen or an additional round of golf.

Thursday

AM Tee off time at **Faldo Course (Mid Valley Club House)**

Opened in early 1999 to great critical acclaim from the international media, the Faldo Course is destined to become Asia's premier tournament venue. One of the world's toughest island greens is the 16th hole, the ultimate in target golf. Nick Faldo has used his outstanding shot-making skills to design an extremely challenging course for major professional championships. Every hole is highly strategic yet eminently playable.

Friday

AM Tee off time at **Annika Course (Dongguan Golf Course)**

Annika's first designer course in the world, this course showcases her best asset: precision. Playing on Annika Course requires extreme accuracy on the golfer's part. It has spectacular views of the natural terrain and mountains which rise more than 100 meters above the golf course. Well-manicured landscaping dominates the perimeters of both tee and green, creating an aesthetically appealing "botanical" type atmosphere. The 465-yard 18th hole, located next to a large natural lake, provides a classic signature-finishing hole.

Saturday

AM Tee off time at **Olazabal Course (Dongguan Club House)**

Jose Maria Olazabal's course at Mission Hills is his first in China. The design philosophy behind this course is to create a beautiful, unique, harmonious and playable course for all golfers. Olazabal's reputation as one of the game's best sand savers is reflected on his course at Mission Hills. The Olazabal Course is the longest at 7,400 yards.
